

BMP EZ2 MTL and
BMP CC5 MTL rear
gunmetal bumper

For Club Car DS
models and
TXT/Medalist
E-Z-GO models

Wear the
appropriate
eye protection!

Club Car, remove the
existing rear bumper and
install the new bumper to
the pre-drilled cart holes.

E-Z-GO, mount the new bumper to
the outside of the existing bumper
or remove the existing bumper
and use the existing mounting
holes. It is your preference as to
which mounting you choose
